

Our K-Love radio signal is very important to the community. It provides positive influence to our residents and children and offers telephone numbers to be called by people in crisis for counseling and encouragement. The positive aspect of the broadcast, from the songs to the interaction of the DJ's, is uplifting and brings listeners to a more peaceful state of mind. I truly believe removing KLove would have a negative impact on our community. It is a place of refuge for many, and would cause increased stress if removed. Sincerely, Eric Griffin
